FRUIT NINJA® COMMUNITY TOURNAMENT

We are excited to announce that we are hosting the inaugural Quartz Esports Fruit Ninja Tournament, a VR tournament in Pittsburgh, using the popular Fruit Ninja game by Halfbrick Studios. We are looking for participants who are interested in competing against each other in this thrilling and immersive adventure and workout game.

The game is set in breathtaking landscapes and will test stamina, accuracy, and reflexes as you smash fruits and navigate sneaky obstacles. Only the fastest will win, so be prepared to test yourself.

All participants will meet and greet, test the equipment, and understand the tournament guidelines. To enter, you must be 18+ and interested in VR gaming experiences. You must also be okay with being filmed and photographed for marketing activities.

To register for the tournament, please follow the steps we will provide after you sign up.

**VENUE AND TIME -
TO BE ANNOUNCED SOON!**

Winner of the community tournament receives:

**\$300 cash and a
large basket of fruit!**
